Hi Elise,

Could you please tell me if there was any information or correspondence sent out between the initial papers I already mentioned and this order granting notice?

Thank you ,

Oliver

**Subject:** [External] Docket 2020-279-E

Hi there,

I have been reaching out to get documentation showing that Pacifica companies were contacted about the Duke rebuttal and their need to respond. They are saying they never heard anything about needing to file a response prior to the hearing.

They did initially receive the NOH, the 30 day notice, as well as the Prefile Letter, but then nothing else.

What are our steps to change the in abeyance status?

Thanks so much,

Oliver
